No problem Jon. I hope you get it sorted out and can make it but not an issue if you can't. Again, unless you what to send someone else.

Hi Nick,
Wanted to give you a heads up that I will, unfortunately, likely not be able to make the Innovate DTLA event tomorrow. Sorry for the late notice, as you have been so kind to include me on the Defining DTLA panel. However, I am having sudden car issues and need to bring my car to the mechanic early tomorrow morning. I'm hoping they get to it quickly and that I can make it out and to Downtown in time for a portion of the event, but I can't be sure that will happen. I know this is late notice, but wanted to let you know asap.

Since we are spread so thin in the office this week, unfortunately I don't have a replacement I can send.

The event does look amazing, and I saw that you have some other very strong panelists on Defining DTLA, so I'm sure it will still go off great.

Thanks,
Jon
